*Explore Brickhouse Vineyard,
one of Devon's undiscovered secrets*

THE FIRST CHAPTER

Our Story.

Brickhouse Vineyard is our beloved family business and lifelong passion, and it really is an honour to be able to offer you a slice of rural countryside as a chapter within your love story.

We're Joanna and Matt, the proud owners of Brickhouse Vineyard. It's utterly lovely to meet you and we welcome you to discover everything that our charming wedding venue has to offer for your celebration.

In 2015, we made the decision to leave our corporate careers in London and along with our two children, we moved from the city to the sticks. It was our mission to finally pursue our dream, creating something that simply did not exist in Devon.

It began as a vision, the ideas developed into a scribble on a notepad, and somewhere amongst the rubble, the planning, and the dream we refused to let go of, we created Brickhouse Vineyard. From the very start, we endeavoured to build a business that brought people together in one place - to gather, to feast, to celebrate and most importantly, to love.

After three years of intense building works, the Grade II* listed house, the Threshing Barn, a thatched Round House and the surrounding vineyard were transformed.

THE TEAM

The people who make it happen.

While the beauty of Brickhouse Vineyard speaks for itself, it's the team that really make the magic happen. As a family run business, we pride ourselves in having a tight-knit team at the helm, so that your wedding day runs without a hitch.

A tight-knit team at the helm

Joanna

Jo is without a doubt the driving force behind Brickhouse Vineyard. Her endless passion for weddings collides with her corporate career - the perfect ingredients for a wedding venue owner! While weddings takes up a huge chunk of her time, she also loves running, paddle boarding and of course, spending time with her family and friends.

Matt

Matt is busy behind the scenes as Finance Director and working hard for the Vineyard itself. He is passionate about promoting small-scale sustainable farming and no-dig veg growing! He can often be spotted cycling with friends or in the market garden of Soil & Soul (our sister company). He is a true outdoorsy chap, so working on the land is his dream come true!

Elley

Elley is one of our onsite Venue Managers and a real gem within our unit. You'll often find her horse-riding, tackling watersports and generally making the most of the great outdoors (especially the beach). She adores working at Brickhouse Vineyard, especially as she has had the opportunity to meet some amazing folk during her time here!

Meg

Meg is an incredible photographer alongside her role coordinating swoon-worthy weddings here at Brickhouse Vineyard. When she's not with a camera in hand or coordinating the dreamiest celebrations, she grabs the chance to enjoy the coastline on a boat.

AN AUTHENTIC SETTING
FOR YOUR LOVE STORY

“

We got married at Brickhouse Vineyard in June 2022. It was truly the most magical day, and everything we hoped for and more...

Everyone at Brickhouse was so accommodating and helpful in the run up to our big day.

The day itself was perfect and ran so smoothly! The venue is absolutely stunning, and the gorgeous natural surroundings provided us with the most beautiful backdrop for our wedding photos.

Our wedding was very boho in theme and the whole setting was just so dreamy. We would happily relive our wedding day over and over again...even our two young children loved it so much they asked us 'when can mummy and daddy get married again?' All our family and friends who attended said how amazing and perfect everything was.

Sending a massive thank you to Brickhouse Vineyard. 100% recommend as a destination to get married...

Naomi & Aidan

Honestly, where do we start? Jo and her team completely knocked it out the park. We are still speechless almost a week later...

The barn and roundhouse have an elegant and luxury feel, a beautiful blank canvas ready for your special additions. The Vineyard and its far-reaching views give a feeling that you have left normal life behind. I cannot express how completely blown away we were with the venue and staff.

We knew from the moment we stepped out the wedding car, we were in safe hands. Jo you are so lovely, organised and have exceptionally high standards with everything you do, what more could a detail obsessed bride ask for? I knew you understood our vision!

We have had so many compliments about our day, and I cannot recommend this venue highly enough! We felt like we were in paradise for a day.

From bottom of our hearts, thank you! It's a day we will never forget.

Brickhouse Vineyard is the most gorgeous venue! From the first time we visited we fell in love with the place. We were looking for a venue that was for a more intimate wedding, as we didn't want something too big, and after the first visit nothing else compared.

Our guests were in awe when they arrived at how amazing and beautiful, they thought the venue was. All the staff we interacted with, both in person and through email, were all so lovely and helpful, and thanks to them our day ran so smoothly.

They truly have a wonderful team. Thank you guys for everything.
